

# Sunnyside East Village

A new village is forming in Happy Valley/Clackamas to provide older adults with a way to comfortably age-in-place. Sunnyside East Village is a vibrant community of seniors helping each other live independently. There will be:

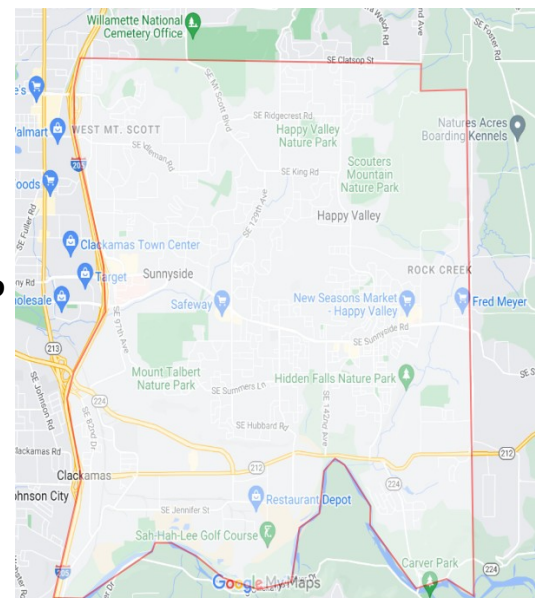

- ◆ Services provided by volunteers, such as transportation to appointments and shopping; in-home assistance with housekeeping and yard work; and help with technology.
- ◆ Opportunities for socializing and recreational activities, such as coffees, book groups, potlucks, and group walks.

Sunnyside East Village is making plans to join Villages NW, a 501c3 non-profit organization with ten other villages in its network. Our service area includes parts of Happy Valley and Clackamas as shown on our Village map.

During our Village's organizational phase, we have opportunities for volunteers to help with publicity, membership, technology, outreach, events coordination, and more. Please join us!

Seniors are invited to learn more:

- ◆ Visit our website:  
[SunnysideEastVillage.org](http://SunnysideEastVillage.org)
- ◆ Follow us on Facebook:
